We highly suggest arriving 15 minutes prior to visitation start time to allow adequate time for the check-in process. As Del Amo hospital is a locked facility, staff will escort visitors to the unit twice: at the start time and 30 minutes in.

To ensure safety for patients, staff, and visitors, please adhere to the following:

- Visitors must be 18 years or older; check in upon arrival with valid identification.
- Please leave your belongings in your car. You may borrow a locker or keep them locked in your car.
- For the confidentiality of our patients, cell phones are prohibited on the unit. For each patient, 2 visitors will be allowed onto the units at a time.
- Childcare is not provided in the lobby; any children must be accompanied by an adult.
- Because supervised visits occur in the common areas of the unit, such as the courtyard or dayroom, please be respectful as you will be in a shared space.
- Patient belongings:
 - Due to space, limit belongings to a three-day supply of clothing.
 - All items must be delivered through the receptionist and will be searched. We are not responsible for items that are left behind.

The following items are not allowed: food, drinks, tobacco products, lighters, matches, clothes with strings, shoelaces, belts, jewelry, sharp objects, pillows, electronic devices, stuffed animals, and blankets.

Del Amo Hospital is a smoke-free facility.
